Allowable Subject Matter

Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to teach a controller disposed in the display body to control the OSD generating part so that a tilting angle adjusting menu is displayed according to the input part, to control the driving part so that the tilting angle of the display body is adjusted according to a selection based on the tilting angle adjusting menu.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
